

3.2 Support for setting up Internal NPM Guarantee Systems (INGS)

Setting up INGS is a prerequisite for group certification. Support offered to clients include:

- Orientation on community-centric Group Certification
- Exposure visit to SAMUHA, a practitioner of INGS.
- Support for preparation of INGS manual.
- On-site orientation & launching of INGS to farming communities.
- Training on group-level farmers diary & other certification-related documents.
- On-site training cum demonstration of internal auditing to internal inspectors.
- Aiding in developing SOPs for RRPPCL & Nandini Agro.
- Training on improving INGS to partners already engaged in certification..
- Aiding in updating INGS Manual.
- Training on Community-centric Group Certification to field staff & farming communities.
